oscillators

A large waveform visualization at the top shows a blue-to-white gradient sawtooth wave. To the right is a circular control with a clockwise arrow and the text '+1'. Below the waveform are four smaller circles, each containing a different waveform symbol: a sine wave, a triangle wave, a square wave, and a pulse wave. At the bottom are four small colored dots (purple, purple, black, grey) followed by a '+' sign.

envelope

Four circular controls labeled 'a', 'd', 's', and 'r' are arranged in a 2x2 grid. Below the grid is a horizontal bar with nine colored dots: black, followed by eight purple dots.
